

# Is one of these checks yours?

The DC 37 Annuity Fund is unable to locate about 300 annuitants and beneficiaries who are eligible for the benefit. In 200 instances, the fund has been unable to locate the beneficiary because it doesn't have the address of the beneficiary or the annuitant failed to name a beneficiary.

In another 30 cases, the fund has the beneficiary's name but lacks his or her current address.

Finally, the fund has been unable to track down nearly 80 annuitants whose current address is not on file.

Below, Public Employee Press lists the annuitants and beneficiaries eligible for payments whose addresses aren't on file in addition to the annuitants who failed to name beneficiaries.

Any beneficiaries or annuitants named below should contact the fund at 212-341-4726 or 212-341-4727 to claim their check.

The fund also requests that the families and friends of the identified deceased members contact the fund so it can make the proper disbursement.
