

HEAT

HEALTHCARE EDUCATION ACTIVIST TEAM
An HHC Municipal Labor Subcommittee Project

ALERT

ATTENTION all Health and Hospitals Corporation (HHC) union members and community residents: Please attend the upcoming HHC Board Meetings. Join fellow workers and community activists to show our outrage at the cuts in services, layoffs and outsourcing of jobs in HHC's Four-Year Cost Containment and Restructuring Plan. Tell HHC Board Members and your legislators to stop outsourcing dialysis in-patient and out-patient services at HHC's hospitals. This terrible plan will destroy our public health care system and hurt the patients, the impacted community and the workers. Following are the dates for these important meetings.

HHC Board Meeting Dates:

- Thursday, April 19, 2012, HHC Board Room, Fifth Floor, 125 Worth Street, New York, NY 4:00 p.m.
- Thursday, May 24, 2012, HHC Board Room, Fifth Floor, 125 Worth Street, New York, NY 4:00 p.m.

For more information regarding the HEAT, contact your local president or your union representative.
