

Bio for Danielle Gibbor

Hello brothers and sisters. I have been working at the "Union for Reform Judaism" for about 13 years now as the assistant to the director of data management. I have been a labor union member for 13 years but became a shop steward at the URJ in 2017. In 2018, I started getting involved with DC1707 Local 107 and was voted in as secretary and since then also served as the local's treasurer. I am an alumni of the 2nd cohort of the DC37 Lillian Roberts Women's Leadership Academy. I have been involved with the Red Carpet for Social Justice and also served as a delegate to the NYC Central Labor Council. I have been a delegate of the DC37 delegates assembly since 2020. Now that the merger of Local 107 into 215 is official, I am happy to now call Local 215 my home. I hope you will elect me to continue serving as a delegate and representing our local within the council.

In Solidarity,
Danielle Gibbor
