

### **Bio for Donna Sayers**

I received my Masters in Education from Baruch College and have worked in the mental health field for over 20 years. Was formerly a delegate on previous Board where we worked to protect the interests of our members. As an experienced Shop Steward, I provide members with information on the benefits of Union membership and advocate or safety in the workplace. When not working; I enjoy traveling, cooking, reading, and listening to music. Thank you.
