

RESCUING  
FOOD FOR  
NEW YORK'S  
HUNGRY

# CITY HARVEST

## **Join New York AFSCME Labor, Faith and Community Outreach Builders To Help Build a Better New York For All Volunteer With The City Harvest Mobile Markets to Distribute Food and Resources in Communities in New York City**

To sign up to volunteer for the City Harvest Mobile Markets email your name, local, title, agency, home address, home and/or personal phone number and personal email address to [laborfaithcomgroup@gmail.com](mailto:laborfaithcomgroup@gmail.com). The Labor Faith and Community Outreach Program will contact you shortly to confirm your volunteer Mobile Markets assignment.

**M**OBILE markets take place outdoors, rain or shine. We stress that it is important to wear comfortable, weather appropriate clothing. As this is a hands-on activity and there is not secure place to leave your property, it is highly recommended that you travel light, i.e., secure personal belongings should be left at home/office or a messenger backpack should be used. Volunteers will be stationed at 3-4 market tables, each supplied with fresh produce that they will distribute to eligible market-goers.

**Remember to wear your DC 37 tee shirt.**

Thanks for helping us build a Better New York for All!
