★ ★ ★ TWO OPPORTUNITIES TO GOTV ★ ★ ★

The Green Machine is headed to the battleground state of Pennsylvania!

We're partnering with AFSCME, AFL-CIO and the Bronx Democratic Party to go doorknocking at union households in Philadelphia.

Help us talk to our union siblings about the importance of supporting Kamala Harris in the 2024 Presidential election.

Transportation to and from DC 37's Midtown office, light breakfast and lunch provided. Please note that doorknocking will involve extended periods of standing and walking.
